ward without delay. The general outery of the Republicans is that the "uncer-tainty" about the outcome of the tariff convey all packages of twenty-five pounds issue and the fears of what the Demoissue and the fears of what the Demo-cratic majority may do lie at the foundation of our present business depression. If they believe what they say it is their duty to help forward the Demo cratic measure and thus put a stop to th uncertainty. Yet at the start the Republican minority of the Committee seeks fillbustering delay by objecting to Chair man Wilson's motion to limit the tim for the presentation of the minority report.

DOUBLING THEM UP.

Mr. Croker has astonished the pol ticians by announcing a new and curio departure in the construction of the Tan many organization. He proposes thave in the future two captains or lead ers in each district instead of one, as present. These dual heads are to have equal authority and responsibility their several districts and in the Tan many Executive Committee, which is future to consist of sixty instead

Of course, Mr. Croker must have full considered the proposed change and have satisfied himself of its practicability as advantages, or it is not likely that would have adopted it and announced to his followers as a settled policy. Be it certainly presents some puzzling fe

its tone. She is a sister of Royal Phelps

ster piping of black satin round the supply. Only two brands of foreign cigarettes are kept in stock, and those are supposed to be medicinal, being used

striped with bands of satin ribbon sewn very close together, and brought under CHRISTMAS CAKE, VERY LIGHT the arms to terminate straight down

transportation. The charges on pack-English Mince Pies. ages are made either by weight or by bulk, the latter being the more usual way of regulating the tariff. These rates are reasonable in all cases, and are made uniformly on a basis of packages valued at \$50 and under. Packages to foreign countries are sent by first-class passenger steamers. The minimum charge on family. I fall to see how "C. S." can support and a tumblerful of brandy, one pound Dowered with Beauty and Wealth. Miss Helen Carroll is probably the richest girl in her own right in Washington, D. C. She has an income of \$40,000 a year, inherited from her grandfather, Royal Phelps. From her mother, who was half Spanish, she inherits a serene, dark beauty. She seems to possess every gift of nature and fortune, and is also said to have a sympathetic kindly heart. She is an intimate friend
